## 18.5 Governance

### i. Organizational Chart

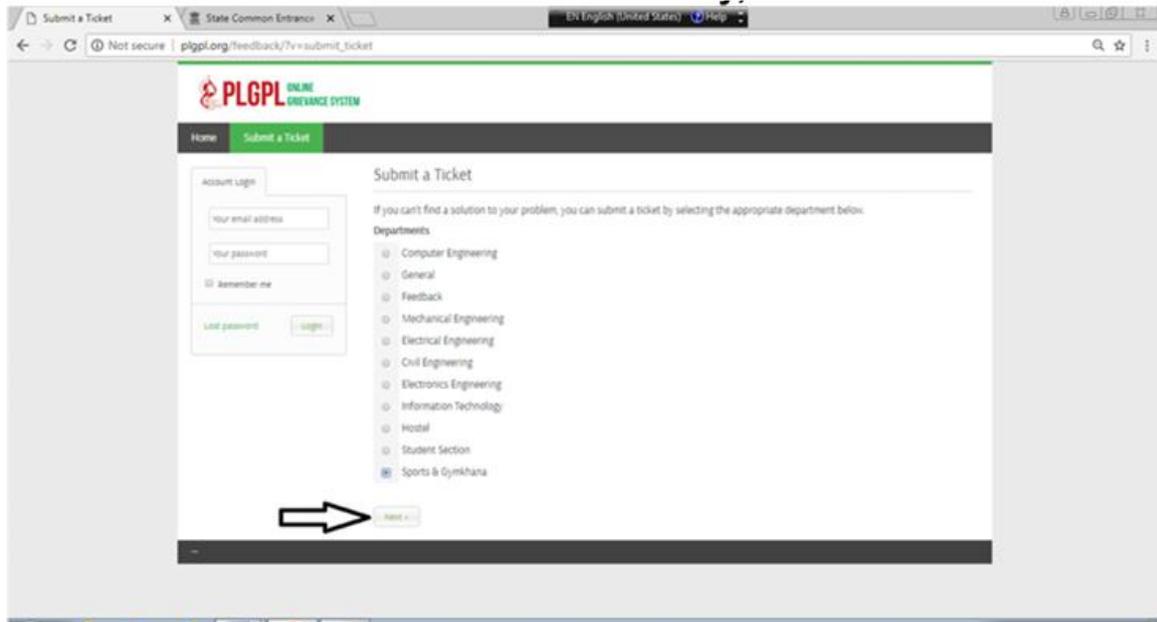

## ii. Grievance Redressal mechanism for faculty, staff and Student

**Nature and Extent of involvement of Faculty and students in academic affairs/improvements:** Faculty is involved in curriculum Design and Development and Implementation. Institute is implementing Outcome Based Education Curriculum.

**Mechanism/Norms and Procedure for democratic/good Governance :** Being a Government Institute, procedures are followed as per Government Norms.

**Student Feedback on Institutional Governance/Faculty performance:** Program exit survey is taken for pass out students. Faculty feedback is taken once per semester.

### Grievance Redressal mechanism for Faculty, Staff and students:

All the committees are formed as per AICTE and Government Norms. Grievance redressal mechanism at Puranmal Lahoti Government Institute of Engineering and Technology, Latur underlines accountability and monitoring towards the customers (faculty, staff and students). A five member committee monitors and addresses the complaints /suggestions received from the stakeholders and appropriate action is taken by the committee. A complaint/suggestion box has been placed at various places of Institute. Please refer institute website for online grievances Redressal mechanism.

File No. 28-605-2020-NBA

Date: November 7, 2025

To,

The Principal,  
 Puranmal Lahoti Government Polytechnic,  
 Ausa Road, Latur,  
 Maharashtra - 413 512.

Subject: Further accreditation status on the basis of Compliance Report of the Diploma programs applied by Puranmal Lahoti Government Polytechnic, Ausa Road, Latur, Maharashtra - 413 512.

Sir,

This is regarding Compliance Report submitted by Puranmal Lahoti Government Polytechnic, Ausa Road, Latur, Maharashtra-413 512 for the Diploma Engineering programs which were accredited by NBA for academic years 2022-23 to 2024-25 i.e. upto 30/06/2025.

2. An Expert Team conducted data verification of the programs on 18<sup>th</sup> July, 2025. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No. (1)	Name of the Program(s) (Diploma) (2)	Basis of Evaluation (3)	Accreditation Status (4)	Period of validity (5)	Remarks (6)
1.	Mechanical Engineering	January, 2019 Document	Accredited	1st July 2025 to 31st December 2025 and from 1st January 2026 to 31st December 2028	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Computer Engineering		Accredited		
3.	Electronics Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Puranmal Lahoti Government Polytechnic, Ausa Road, Latur, Maharashtra-413 512 as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

5. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the institute.

7. A copy of the Report of Chairman of the Visiting Team and Evaluators' Report in respect of the above program is enclosed.

8. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)  
 Member Secretary

NO. NR. 33 . III.A.R. 2/65.  
Deputy Collector's office, Latur.  
Dated: 21st August, 1965.

**SUBJECT :- LAND ACQUISITION (STAYAMAD)**  
Village Latur ... for Govt. Polytechnic.

**AWARD**

**Introduction :-** The Principal Muzamml Lahoti Polytechnic Latur vide his letter No. PLGH/ENGINEER/64/582 dated 26th May, 1964 requested to initiate the land acquisition proceedings for the construction of Govt. Polytechnic building. Total area proposed to be acquired is 34 acres, from Sy.No. 192. The Land Acquisition proceedings are started under urgency clause and hence provision of section 4-A of the Hyd. Land Acquisition Act are not applicable to this case.

**Publication of Notification:**

Notification under section 3(1) under urgency clause has been published in the Maharashtra Govt. Gazette supplement Part I, Aurangabad Division vide No. GR. W.V. 1206/64 dated 27-2-1964 on page 629.

Final notification under section 5 has been published in Govt. Gazette supplement Part I Aurangabad dt. 10-11-1964 on page 965 vide letter No.

Accordingly Award Enquiry was conducted by fixing dates. Notices under section 7 and 8 were issued to all the interested persons and got served on 16-12-1964. In response to the above notice, landowners have notified any written statement regarding rate of compensation.

**Ownership:**

Ownership of notified persons, have been proved from the Revenue record, furnished by the Tahsildar Latur.

**Measurement:**

The land under acquisition has been measured by the Staff of D.I.L.R. and Acquiring Department. The area shown in J.N. report is treated as correct, for the purpose, of this Award, as the landowner have not objected for the same, during the land acquisition proceedings.

**Situation and Description of the land:**

The land under acquisition is situated at village Latur. The land is kharif dry crop land and not of heavy B.C. soil, and is suitable for constructional purposes. It is adjacent to Sy.No. 188, 192 and 194 of Latur City. One Industrial Estate has been sanctioned for Latur City which is being established in Sy.No. 188 which is very near to Sy.No. 192. An area of 20 acres is being acquired

from Sy.No. 193 for the Industrial Training Institute at Latur. The said Sy.No. is just on the border of land under acquisition towards side. In front of these Sy.No. S.T. Bus Depot, has been constructed in Sy.No. 194. Some portion of Sy.No. 193 is also acquired for the Bus Depot. The distance between the Bus Depot and the land under acquisition is within a distance of one furlong, on Latur, under AUSA, road which is part of state Highway. The land is situated two miles away from the Railway Station. Besides, this the Dayanand College and Polytechnic old building are located within a radius of three furlongs from this land under acquisition. In the same way after a distance of two furlongs towards east of this land a Spinning Mill is being located on about eighty acres.

Thus it will be clear that the site under acquisition has got an importance in the development activities of Latur City.

Accommodation and Rent:

Does not arise.

Claims:

Notices under section 7 and 8 were issued and not served but the landowner have not submitted any claim or any rate of compensation.

Evidence by claimants

No documentary evidence has been filed by the claimants.

Evidence by Acq. Department.

The Acquiring Department has not produced any documentary evidence nor communicated any rate of compensation.

Valuation of land

In order to fix up the fair value of the land sale transaction of lands adjacent to the land under acquisition of Agril. lands for the last five years also are obtained from the office of the Sub Registrar Latur, which are mentioned in appendix "B" from perusal of appendix "D" it will be revealed that an area of 58 acres and 6 guntas has been sold at Rs. 53,957-00 i.e., average sale price comes to Rs. 900 to 1,000 per acre.

Sy.No. 189, 194 and 193 and 191 are adjacent to the land under acquisition. From Sy.No. 193, an area of 2 acres and 34 guntas and from Sy. No. 194, 3 acres and 4 guntas of land has been acquired for the construction of S.T. Bus Depot, in the year 1960. The total compensation awarded for the above acquired land is Rs. 190-97 and Rs. 2,062-34 respectively. Average sale price is Rs. 403/- per acre. This rate is applied in the year 1960. Copy of award is enclosed for a ready reference.

Similarly an area of from Sy.No. 194 and from Sy.No. 193 has been acquired for construction of Latur AUSA Road. The compensation awarded for the above acquired area is Rs.... i.e.,

W R o 1 - 3 5 0 8 7 0 7 5 8 0 1 6 . 0 1 1 3 0 0 4

Additional information of sale transactions is also obtained and mentioned in appendix D. These transactions are of vacant sites from Agril. lands for the purpose of constructing residential buildings by individuals and the land under acquisition is similar to the area of Sy.No. 198 which is situated just on the border of Sy.No. 192. The average sale price of these non-agricultural sale comes to 23 paise, per sq. Ft.

This is all about the sale transactions, taken place in the last five years, but while fixing up the value of land under acquisition we will have to consider the period in which the acquisition has taken place. The price fixed for the Bus Depot and Latur Ausa road is fixed up in the year 1960 i.e., prior to 4 years of the present acquisition and therefore rate applied in these cases would be not be applicable to this case also. Further the rate of Rs. 1,000-00 per acre is also not justifiable and applicable, as from the Sy.No. 198, 26 acres and 32 guntas land has been acquired @ 12 paise per Sq. ft. in the same period and the Award for the same is with the Govt. for approval. A rough sketch map is submitted for perusal of the situation and description of the land under acquisition.

It is also observed that at the time of Registration the villagers showed a less price in order to save stamp duty.

In view of the above facts, and considering the location of the land I fix the value of the land under acquisition @ 10 paise per Sq. Ft. as a reasonable one as the land with all its quantities and importance is far away from the Railway station and the City. The rate applied to the acreage of Sy.No. 198 could not also be applied in this case as Sy.No. 198 is situated near to the City.

The area under acquisition is 34 acres and 2 guntas i.e., 15,20,244 Sq. Ft. Total value of the land @ Rs. 0-10 paise per Sq. ft. comes to Rs. 1,52,024-40 paise ( One lakh fifty two thousands twenty four and forty naya paise) Rate per acre comes to Rs. 4471 only.

Other claims. No other claim filed by the landowner.  
Trees: Nil.  
Crops: Nil.

Compensation for damages. No damage is caused as such no amount is allowed towards damage.

Details of valuation. 15% solatium on the total land value is allowed. Including solatium total compensation will be as under.

Sy.No.	Area acquired A.Cs.	Land Value.
192	34-02 i.e., 15,20,244 Sq. Ft.	1,52,024-40
